# Welcome .....

Welcome to All!

It is with joy and gratitude that I welcome you to the 2013, Imagine Gala and Auction.

Creative Children's Center is a special place, a school where parents, teachers and children form relationships that go beyond the norm into a place of "knowing".

As teachers and parents work together in the classrooms, on the grounds, on committees, or on our board, they discover each other's quirks, their gifts, and their passions. They seek to know each other and to understand. This brings closeness and surprises, creating opportunities where we form a community of caring adults who go above and beyond for our children.

I want to say "thank you" to all who have made this event possible. To all who give so very much to our program. Thank you to our amazing teachers who are the minds and soul of our school. Thank you to our dedicated leadership council, who provide the heart and the circulation to go with it! Thank you to all of our parents, who create the energy and the passion we thrive on. To each and every one, who steps forward, lends a hand, and shares a smile, I thank you all.

We do this together, and the children find themselves in a place of "knowing", a space of love and consideration, where their voices are heard, and all nurtures them.

With Gratitude,

*Lucy Chaille*

CCC Director and Founder

# Thank You .....

To Everyone,

I want to take a moment and thank everyone from the bottom of my heart for your hard work and participation in the Imagine... Gala & Auction 2013. With all of your wonderful participation we have once again developed an important fundraiser for Creative Children's Center.

I want to say special thanks to our amazing Director, Lucy Chaillé, a person with endless vision, strength and love for all of our children. I want to thank, not in order of importance; Kirstan Graham, Meredith Cook, Melissa Ozborn, Rachel Nichols, Trista Ainsworth, Amber Barratt, Amanda Hoffman, Marcy Freddi, Josh Keppeler, Beth Kwasnik, Roopal Shah, Sharon Zell, Emily Montgomery, the rest of the auction team and Darrin Auckland, my loving husband, that without his support I couldn't have made it through this time of craziness, up and downs and adventure.

Lastly I want to say thank you to Teacher Stassi, Teacher Courtney and Teacher Casey for your unique contribution to the Gala and everything you have done for our children. I know that we have all seen our children grow and become more amazing people because of your impact on our families.

Because of your donation and participation in "Lifting up your Paddle," CCC is able to inspire our children in a rich environment with happy teachers. For every donation that CCC receives the scholarship funds are replenished, crafts are unlimited, and new and amazing changes occur to the outdoor environment.

Please enjoy your evening and remember it is for the children.

## ***Digital Technology Centers for the Classroom***

It's 2013, and CCC is all grown up! But our technology is old and ready to retire. It's time to move our school into the "hands on" digital age.

- An age where students can document and reflect on their work with the tools of interactive digital technology.
- An age where parents can assist with the process and add images and stories to our school blog, right from the classroom!
- An age where the teacher can download, upload, and reflect, and be ready to move the curriculum forward in engaging and interactive ways!
- An age where the "systems" in the classrooms are streamlined, relational, and connected to the outside world!

Your child, and their classmates have big ideas to share! The CCC teachers want to share these ideas with you, and with the world. We are ready to roll!

We need your help! Help us reach our goal!! Together we can create a digital technology center for each teacher that will take us out of the dark ages, and into enlightenment!

# Auction FAQs .....

## Check In

Each person/couple receives a catalog upon registering at the check-in table. Your bid number can be found on the back cover of this catalog. Only registered bidders can participate in the auction. You will use this catalog as your paddle to bid during the live auction. Raise it high! Raise it often! Also during registration you have the opportunity to pre register for easy check out by providing your credit card information. This lets you avoid lines at the end of the night. You will only be charged if you win an item.

## How to Bid

Read through the descriptions in this catalog to help you decide what you want to bid on. Each item in the silent auction has a bid sheet taped next to it on the table. The bid sheet is already filled with a list of bids, the first one is the minimum amount that can be bid and each subsequent bid increases by the minimum raise amount. If you want to bid on an item, clearly write your bid number on its bid sheet next to the amount you want to bid. Make sure the description at the top matches the item you want. Items in the silent auction also have a guaranteed bid. If a bidder selects the guaranteed bid, they win regardless of any other bidding. To sign up for a ticket party, clearly write your name and bid number on a ticket from the party's board. Put the completed ticket back in the pocket but keep the reminder slip for your records. These parties have a fixed price listed per spot. You may purchase as many available spaces as you want for a specific event. To bid during the live auction, raise paddle high to bid the amount the auctioneer has called. Wait until the auctioneer acknowledges you. If multiple people raise their paddles, the bid will go to the person the auctioneer sees first. The auctioneer will determine when bidding ends. Highest bid wins. Some items can have multiple winners.

## Winning Bid

The winning bidder for a silent auction item is the person who has claimed the highest bid at closing time for the table or the guaranteed amount. The closing time for each silent auction table is posted and warnings will be announced prior to each table's closing. Note the color of the tablecloth and the balloons. Immediately upon closing, a volunteer will collect the top copy of the bid sheets and identify the winning bid for each item on the table copy. This person has the authority to determine the winning bid and their decision is final. In the live auction, if you outlast your competitors and have the highest bid, the auctioneer will call out your bid number as the item winner. SOLD!

## **Gift Certificates & Services**

Many gift certificates have restrictions or expiration dates or may require reservations to be made in advance. It is extremely important to open and read your gift certificates, tickets, etc. Immediately. CCC is not responsible for the fine print please be sure to read it. All services must be used within one year unless a different expiration date has been specified.

## **Check Out**

At the end of the evening, proceed to the check out table so that all auction wins can be confirmed and verified. Your purchase information will be given to the cashier whom you will pay for your purchases. (If you pre-registered, you get to skip this step.) After paying, please present your receipt to a runner who will gather all of your purchased items. Payment can be made by cash, check (made to Creative Children's Center) or credit card (Visa/MasterCard) to the cashier. Payment must be made before an item may leave the auction site.

## **Liability**

All sales are final. Sorry, no exchanges or refunds are possible. Please read and listen carefully to item descriptions and restrictions. The auction sponsors assume no liability and cannot make any guarantees for the products or services purchased. Creative Children's Center neither warrants nor represents, and in no event shall be responsible for, the correctness of descriptions, genuineness, authorship, provenance or condition of the items. No statement made in this catalog or made orally at the auction or elsewhere shall be deemed such a warranty, representation or assumption of liability. The values listed are estimates only and are not warranted as fair market value. Items have not been appraised unless so noted. Purchases made at this auction are not tax deductible. Unless noted, all goods and services or certificates must be claimed within one year of the auction date. Gift certificates may not be redeemed for cash. We regret any omission of information not provided by donors or the omission of donations received after printing deadlines.

## **Copyright Notice**

No items may be reproduced, copied or duplicated without prior approval of Creative Children's Center staff, council and executive board. CCC retains the copyrights to all original paintings, artwork, and projects created by the staff and students at Creative Children's Center.

# Games & Drawings .....

## Wine Cellar for Financial Aid

Check this out while you're checking in! You'll have the chance to throw your white poker chip in the wine cooler for a chance to win extensive collections of wines, put together by the friends of CCC!

All that wine for only \$25! Seriously? That's an amazing opportunity! And best of all, all proceeds will go to fund the Maggie May Financial Aid Fund, which helps students who otherwise might not be able to attend CCC due to financial hardship. This fund was established in 2009 in memory of a very special student named Maggie May. Unfortunately, Maggie lost her life to cancer at the young age of three. This fund keeps her memory shining bright at Creative Children's Center while giving the gift of education to little one's who might otherwise be unable to attend.

## Best of Live

A Creative Children's Center tradition! For \$75 you can purchase an entry into the "Best of Live" Raffle. If your red poker chip is drawn from the Paint Bucket, you will have the opportunity to select anything in the live auction before the bidding starts! There is just one winner, and only 20 entries available, so the odds are very good! Want the trip to Mexico, or the Class project, well now's your chance to win that "special item" for a fraction of the value! The drawing will take place immediately before the Live Auction. The lucky raffle winner may choose any Live Auction item as a prize!

# Games & Drawings .....

## Dessert Dash

Here is a great way to support the school and your sweet tooth! Save room for dessert and place your bid for an amazing array of tantalizing edibles. Each dessert serves a party of 10.

### Here's how the Dessert Dash works:

Each table will have a bid form for desserts. Interested bidders simply write their bid number and the amount they would like to contribute towards the table's dessert on the form. The table with the highest total bids will select their first choice of dessert. The table with the lowest bids may end up with Twinkies!

The proceeds from the Dessert Dash contribute significantly to our auction's success, so please give generously — your taste buds (and the school) will thank you! We suggest a minimum donation of \$20 per person, but remember, the more you bid, the better your chances of enjoying your favorite treat! Dessert Donors: Thank you to all of our CCC community and business donors for providing us with a tempting array of divine desserts!

**9. Play Pals Mirror Project**

*Play Pals AM, Teacher Courtney*

Painting, printing and experiments with paper have inspired a palette of colors and designs for our two and three year olds' class project. It is fascinating to watch how two colors can be melded together to create a whole new color, and brushes, gadgets, rollers and string are just some of the tools used to experiment. Painting up high, down low, in new spaces, and in 3D opens up new perspectives. Mirrors are particularly fascinating for this age group as they develop their sense of self. From dressing up, dancing, singing, and finding a friend, mirrors provide endless possibilities.

**10. Wine Lovers Adventure**

You'll stay in the unique and comfortable CellarMaster's suite which includes a relaxing whirlpool tub, a complimentary bottle of wine and a window above the bed that looks out into the cellar. The perfect place for a romantic getaway!

**11. Nature's Quilt**

*Super Stars, Teacher Stassi*

Super Stars and Teacher Stassi have been drawing different plants: pine branches, ferns, dried leaves, indian corn, wheat and flowers. Each individual child was given the opportunity to pick one and then discuss the qualities that made that item unique. The children then decided what to draw first. They examined each part, and step by step with Teacher Stassi they did the whole object. With the help of Donna McCartney-Smith and Charla Graepel, Maggie's Grandma and Mom, these special drawings were then added to the quilt the children were making, in which each child chose their own fabric to contribute. The process is still continuing in our classroom- we started examining our natural items and making them in clay. This project involved composition, drawing, sculpting; the children are very proud of the work they're doing and Teacher Stassi is excited to share it with you.

This year the Sunshine Kids have had "spiders" visiting the classroom in magical ways.
