A Special Message

In my eight years as a teacher here at CCC, I have often felt a sense of community and wonder at what amazing things can be accomplished with a little (or a lot) of hard work and the belief that there is always a way to solve a problem or achieve the "impossible." I am amazed at how people can come together to make a difference for the future and for our children at this special place called Creative Children's Center.

Two and half years ago, I became a parent of a wonderful little girl. My world changed. My sense of wonder and delight became even more in tune with the ideals of this school I call home. My daughter is now a student at

CCC and has the opportunity to experience the magic and joy, love of creativity and sense of possibility that I have always felt so strongly are some of the most amazing things about CCC.

CCC is a place of wonder. It is a place where children's voices can and will be heard. It is a place where parents come together to make the world a better place one moment at a time. It is a place where children, teachers and parents grow and learn.

It is with great honor and a sense of "Nothing Without Joy" that I welcome all of you tonight and thank you for all of your contributions to our program! "Let the Good Times Roll" and "Let's Rock Around the Clock" tonight. Enjoy!

Amy Bockman
CCC Teacher and Parent

Rock Around the Clock

"Rock around the clock!"
What does it mean?

"I think that rockets go off!"
Aurelia, age 3

"To dance around the clock and rock and roll! It feels kinda of wild."
Milan, age 5

"Well, it means, like to have fun and play while time passes on the clock."
Lucas, age 7

"I think it's a rock around a clock. Somebody put rocks on the clock so they could play garden!"

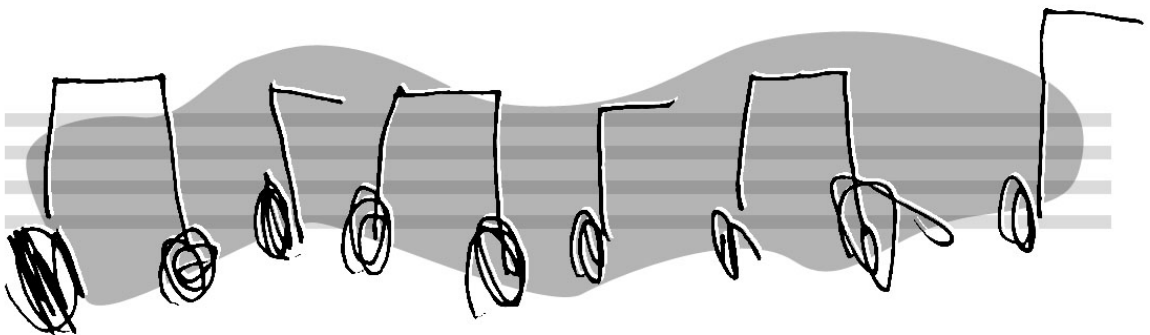

Jonah, age 5

"We have a coo-coo clock at home. It has this little wood thing hanging down from it, and it rocks form side to side. That's it!"

Shelby, age 7

"It means to walk around, around, around, again! The tick things that tell you the number, the arrows! Yeah!"

Jacob, age 4

Thank You Donors

Tonight we come together to celebrate children and all of their wonder. We offer a very special thank you to our donors who believe in early childhood education. Without you we would have no auction. We appreciate that we have such overwhelming support from the community, and we encourage all those associated with Creative Children's Center, along with everyone present tonight, to patronize the merchants and businesses who have been so generous to us.

Please express the appreciation of all of us at Creative Children's Center when you visit. Donors can be found listed next to each auction item.

Thank You Fundraising Committee

We would like to thank the group of hardworking, dedicated volunteers and their families who helped make this evening possible.

Biographies

Janna Mock-Lopez
Honoree

This year's honoree is the Publisher of *Portland Family Magazine*, and an alumni of CCC! As the Mother of Alayna, 7, and Evan, 3, as well as the wife of Brian, Janna has her hands full — yet she is able to support our community with the magazine and an innovative view of family!

Thank you, Janna, for all you do!

"My goal is for you to trust *Portland Family* as more than a resource, but as a source for connection and inspiration." — Janna Mock-Lopez

K C Cowan
MC

Our Master of Ceremonies this evening is KC Cowan from OPB. KC Cowan has been the co-host and segment producer of *Oregon Art Beat* since it began in 2000. You may remember her as a news reporter at KGW-TW and KXL radio, where she earned an Emmy.

Gary McLaren
Auctioneer

Our auctioneer this evening is Gary McLaren. Gary is the owner of McLaren Auction Services and The Aurora Colony Auction House, both located in historic Aurora, Oregon. Gary has over 20 years of experience auctioneering in antiques and collectibles as well as benefit auctions. Gary is an active member of the Oregon Auctioneers Association (OAA) and the National Auctioneers Association. He is also an active member in his community in various non-profit organizations focused on children's issues. Creative Children's Center would like to extend its deepest gratitude to Gary for his involvement tonight.

Fund A Need

Creative Children's Center has worked hard over the years to create an innovative play-ground environment. Our 100' X 200' outdoor learning space has many elements that have been developed to meet different needs. There is a sand/water area, a bike track, a climbing structure, and a balance beam. These, along with bikes and trikes, have all been funded by our annual auc-tion! Other favorite features of our yard were designed by students. Areas like the bridge (to cross over puddles), the playhouse (for the three pigs), the lemonade stand (in case you're thirsty), and of course the inspiring garden! Our play-ground is used by everyone in the CCC community. It is where we meet together as a neighborhood, build relation-ships and bond with nature.

This year our goal is to improve our space by working with a playground design team. Headed by Amy Bockman, we estimate we will need \$5000-\$6000 for phase one.

"Fund A Need" is Oral Auction #26 and can be found on Page 65.

Auction Rules

How To Bid

Every person receives a bid number upon registering at the check-in table on auction night. Only registered bidders may participate in the auction.

To bid on a silent auction item, clearly write your name and bid number on the bid sheet. The bid amount needs to be at least the stated minimum bid amount listed on the bid sheet. Subsequent bids must be in increments of the stated minimum raise amount. Items in the silent auction also have a guaranteed bid. The first bidder to fill in the guaranteed bid amount wins. The guaranteed bid supersedes any other bidding.

To sign up for an easel party, clearly write your name and bid number on the easel party sign-up sheet. You may reserve as many spaces as you want for a specific party as long as there is space available.

To bid during the live auction, when the auctioneer states a bid amount, raise your number high to bid that amount until the auctioneer acknowledges your bid. If multiple people raise their cards, the bid will go to the person the auctioneer sees first. The auctioneer will determine when to end the bidding. The highest bid wins.

Remember, bid high, bid often!

If You Win

The winning bidder for a silent auction item is the person who has entered the highest written bid at closing time for the item. The closing time for each silent auction item is posted and announced. Upon the closing of a silent auction table, a silent auction volunteer will identify the winning bid for each item. This person has the final authority to determine the winning bid and this decision is final. The winner will be highlighted on the carbon copy bid sheet taped to the table listed on the bid sheet.

If you are the winner of a live auction item, the auctioneer will announce your bid number as the bid winner.

Auction Rules

How To Collect Your Purchases

All purchases must be paid for in full on the night of the auction. Payment may be made by cash, check (made out to Creative Children's Center) or credit card (Visa/Mastercard) to the cashier. Payment must be made before an item may leave the auction site.

At the end of the evening, proceed to the check-out table so that all items can be checked and verified. Your purchase information will be given to the cashier at the next table where you will pay for your purchases. After paying, please present your receipt to a runner who will gather all of your purchased items.

Liability

All sales are final. Sorry, no exchanges or refunds are possible. Please read and listen carefully to item descriptions and restrictions. The auction sponsors assume no liability and cannot make any guarantees for the products or services purchased. Creative Children's Center neither warrants nor represents, and in no event shall be responsible for, the correctness of descriptions, genuineness, authorship, provenance or condition of the items. No statement made in this catalog or made orally at the auction or elsewhere shall be deemed such a warranty, representation or assumption of liability. The values listed are estimates only and are not warranted as fair market value. Items have not been appraised unless so noted. Purchases made at this auction are not tax-deductible.

Unless noted, all goods and services or certificates must be claimed within one year of the auction date. Gift certificates may not be redeemed for cash.

We regret any omission of information not provided by donors or the omission of donations received after printing deadlines.

Very Important

Many of our gift certificates have restrictions, expiration dates or may require reservations to be made in advance. It is extremely important to open and read your gift certificates, tickets, etc. immediately. CCC is not responsible for the fine print; please be sure to read it.

Easel Parties

This year we are offering special events for you to enjoy. Each event, called an "easel party," has a limited number of spaces available and each space in an event has a price.

To sign-up for an easel party, clearly write your name and bid number on the easel party sign-up poster. You may reserve as many spaces as you would like for a specific party as long as there is space available. You pay the same price for each space. Following are the great parties we have lined up. Please visit the Easel Party section to sign up. Easel parties close when spaces are filled.

Saturday, February 2, 11:00 am - 4:30 pm (with Symphony Story Time from 2 pm to 3 pm)

Does your child love books and music? How about riding on the MAX? If so, this will be the perfect day! Ride with Teacher Laura on the MAX to Downtown Portland. First, grab lunch at a nearby cafe and explore the park blocks. After lunch, we will head over to the Central Library for Symphony Story Time. This is an interactive activity where we will be surrounded by books and musical instruments and do crafts with a musical theme. Joining us will be an Oregon Symphony musician. This musician will be playing and introducing an instrument to us, as well as playing orchestral music. Next, we will take a quick walk to Pioneer Courthouse Square for some time to relax and/or get our energy out. Feeling thirsty? We will stop at the adjoining Starbucks or nearby independent Portland Coffee House (your choice) to quench our thirst. Finally, in completion of this day filled with music, books, parks, and play, we will ride home together on the MAX!

7. **Play Pals PM Class Project..... Priceless**
Since the first day of school, the Play Pals class of two- and three-year-olds have been covered in glue! Sticking stuff together has been an ongoing theme. Inspired by this, Teacher Casey decided to explore the idea of creating a layered glass creation. Together with Casey the children placed individual pieces of glass on special tiles. The piece was then fired in our own kiln. It is not only beautiful but it is a true work of artistic collaboration!

20. Kindergarten Class Project Priceless

Fruit and flowers inspired this acrylic still life painted by Lucy's kindergarten. This year's class has been studying line drawing. This, combined with discussing different types of paintings, led the children to explore the concept of still lives. "Still life is a painting where life is very still. You have to look closely to see it breathe!" This piece includes the vase portrayed in the painting. "People don't believe that young children are capable of painting with such detail. Given the tools, the materials and the time to observe and study, magic happens. Art is the means to expression — expressions of ideas, thoughts, and impression ... stories to be shared with others."
— Lucy Chaillé

21. Tiger Cubs Class Project..... Priceless

Bringing the Outside In

This copper hanging began with an exploration of clay. The Tiger Cubs fashioned leaves by pressing real autumn leaves into clay, which were glazed and fired in our kiln. Other organic materials such as seashells, driftwood, beads of glass and clay, and copper pieces were wired to the hanging. Copper pipe forms the frame of this beautiful hanging which expresses the Tiger Cubs love of nature. On the window, on the wall or as a screen, this piece will beautify your indoor or outdoor space!
