May 1, 2008

Dear Friend,

Children are the future. They have the ability to see the world each day with joy and wonder. At Creative Children's Center (CCC), we have been celebrating children and their visions for almost twenty years. As Oregon's largest parent cooperative, adults and children join as true partners in the educational process. With the help of community friends like you, we can continue to provide excellence in education at affordable costs. We hope that you will be able to support our school, our dreams, and our future.

This year's Annual Auction will be held **on November 22nd**, at Portland's Melody Ballroom. Your contribution of an item, cash, or gift certificate will not only allow us to continue our great work, but will also provide you with **advertisements in our school phone book, website, and monthly newsletter.**

This allows you a 100% tax deduction for the value of your gift as an advertising expense for your business.

Any contribution you give will be greatly appreciated and truly makes a difference to our program. We will encourage families to support your business. Since CCC relies solely on private funds to operate, your participation is essential to our continued success. While bringing quality education to children, these funds also support our educational work throughout the community. From Early Childhood Conferences to our Family Creativity Fair, CCC advocates for our youngest citizens. We believe that commitment to children brings value to our community.

We want thank you in advance for your help. Please be sure to include a business card or logo with your gift item or cash contribution. Gifts may be sent to: **Creative Children's Center, Fundraising Committee, 2515 SW 185th Avenue, Beaverton, OR, 97006**, or leave a message at **(503) 591-0604** for pickup. (Please consider our auction date when including an expiration date on your gift certificates). Early contributions are encouraged to be in by August 1st, but we will accept donations through October 24th. Please keep the advertising receipt below for your records and return the Gift ID Tag with your item.

With sincere appreciation and thanks,
Creative Children's Center and the 2008 auction team

Business Contribution Advertising Receipt

(To be kept as a tax receipt by the contributor)

Thank you for contributing to Creative Children's Center's 2008 Auction. Your gift has purchased advertisements in the CCC phonebook, newsletter, and website. The ad value is equal to the value of your gift: Donations with a value of over \$200 will be featured as major contributors.
