Creative Children's Center's Annual School Calendar

*Our school year begins the week after Labor Day, and ends mid June. As a private school we strive to match the local school calendar for holidays, winter break, and spring break. As a Constructivist/Reggio program we hold monthly inservice days for our teachers. (Collaboration, curriculum, and classroom/environment development). Parents may sign up their child to attend our "Creativity Club" program all day on teacher inservice days. Creativity Club is closed on holidays, winter break, and spring break. Parent Council meetings are held the first Tuesday of each month, (confirm date, location, and time if you'd like to attend). Parent members are asked to attend events and activities throughout the year. *As a private school, tuition is charged for the full school year, and may be paid in full or in 10 monthly installments. See admission forms.
