Dear Friend,

My child attends school at Creative Children's Center (CCC) in Beaverton. CCC is a parent participation program that uses fundraising to help financially support the school and keep tuition costs affordable for all. This spring we are selling plants to raise funds for facility improvements, educational equipment, materials, and playground development.

We are offering flats of annual and perennial plants, certified organic vegetables and herbs, geraniums, and an assortment of outdoor planters including large hanging baskets. These gorgeous plants are locally grown at New Leaf Greenhouse in Cornelius and are guaranteed to be healthy and free of pests. Since they have been raised in an Oregon climate, the plants will thrive when transplanted and grow beautifully.

## Ordering:

Please find the attached order form. For those unfamiliar with the names of the plants, or who wish to see sample pictures, please log on to the greenhouse's website at [www.newleafgreenhouse.com](http://www.newleafgreenhouse.com).

Forms need to be returned to me by April 12th. Checks are to be made payable to Creative Children's Center.

You may mail the form with your payment to my home at:

\_\_\_\_\_.

If you would like additional forms for your friends or have any questions, please call me at

\_\_\_\_\_.

## Delivery:

Plants will be delivered to the school on Saturday, May 8th, and I will deliver the plants to you on

\_\_\_\_\_.

Thank you for your support! It is greatly appreciated!

Sincerely,

And The Families of Creative Children's Center
